FOR IMMEDIATE RELEASE

FREE BACK-TO-SCHOOL VACCINATIONS

Children's Museum of Houston offers free immunizations

Every Thursday Free Family Night in August 2016

Limit first 150 children each offered day

Administered by Texas Children's Mobile Clinic Program

WHAT:

All children under 18 needing immunizations, as required for admission by school districts, will have the opportunity to receive **free vaccinations at the Children's Museum of Houston** this summer.

Committed to creating a community of healthy children, **Texas Children's Mobile Clinic Program** will administer back-to-school vaccinations to the **first 150-children** to arrive every **Thursday Free Family Night in August**. To qualify, parents and guardians will **need their child's immunization records**. All required school vaccines will be provided except for TB Test or flu. **No need to pre-register**.

After the vaccinations, children and families are invited to stay and enjoy the many hands-on exhibits the Museum has to offer. Enlist in the Special Elite Crime Resolution and Espionage Team (aka S.E.C.R.E.T.) to crack codes, uncover clues and outsmart villains, or head to *FlowWorks* and *EcoStation* to enjoy the great summer outdoors!
